### A Reflection of God!

*“The Bible proclaims loudly that we are not merely animals, naked and bestial. Neither are we sexual simply on a physical, animalistic level. Theologically, there is a hidden purpose behind our creation as sexual persons. Understanding this hidden purpose helps us to do two things: value ourselves more and learn a positive way to handle sexual temptation. The good news is that our sexuality is not merely biological or bestial but instead is a reflection of God.”*
